

Figure 6.5 Per Capita Local Government Expenditures in Hampton Roads and Virginia

Source: Auditor of Public Accounts, Weldon Cooper Center & HRPDC

Why is it important?

Figure 6.5 illustrates the per-person cost of local government in Hampton Roads and across Virginia. As costs and requests for services increase, so do expenditures.

How are we doing?

Over the past decade, per person expenditures by local governments in Hampton Roads have exceeded the state average. Localities have absorbed an increasing share of education and other services, though reduced revenues are cutting back expenditures.
