

AGENDA NOTE – HRPDC EXECUTIVE COMMITTEE SPECIAL MEETING

ITEM #5: CHESAPEAKE BAY TOTAL MAXIMUM DAILY LOAD (TMDL) – EPA BRIEFING

SUBJECT:

Mr. Jeff Corbin, Senior Advisor to the EPA Administrator on Chesapeake Bay Restoration, will brief the HRPDC Executive Committee on the Chesapeake Bay TMDL.

BACKGROUND:

The U.S. Environmental Protection Agency led the effort to develop the Chesapeake Bay TMDL and, through its coordination, review and approval function, played a significant role in the shaping of the Phase I Virginia Watershed Implementation Plan.

Mr. Corbin will brief the HRPDC on the TMDL, EPA’s response to HRPDC and other comments and EPA’s views on the way forward to implementation of the TMDL and Virginia Watershed Implementation Plan.

RECOMMENDED ACTION:

Commission discussion
