*Clean Waterways Begin At Home*

Improve your home.  
Improve your community.  
Improve our waterways.  
**Be a Bay Star Home!**

Anyone can make a difference through simple behavioral changes; everyone can live a greener life. Bay Star Homes encourages you to implement easy changes that can have a major impact on our local waterways.

**Small changes make BIG waves!**

**Joining is easy!**

To get started, residents are asked to implement eight environmentally friendly practices at home. You tailor Bay Star Homes to fit your lifestyle. As your neighbors do the same, we all help improve our water quality.

Simply go to [BayStarHomes.org](http://BayStarHomes.org) to apply online and start cleaning the bay the responsible way!
